Re: 14 – 16 Union Street, Enfield CT

STATE BUILDING CODE §113 NOTICE OF VIOLATION AND ORDER TO ABATE

On August 01, 2016, an inspection was conducted of the premises located at 14 – 16 Union Street for the purposes of determining compliance with the State Building Code as amended and the applicable referenced standards, adopted pursuant to the Connecticut General Statutes §29-252. The Code and said standards are available for your inspection at this office. The inspection revealed the following violation(s) of the State Building Code:

Section 115.1 of the 2005 Ct. State Building Code: Unsafe Structures: Structures that become unsafe and/or are dangerous to human life shall be deemed an unsafe condition. Unsafe structures shall be made safe, as the Building Official deems necessary. You have removed the rear porch and exit way on the property at 14 – 16 Union Street, leaving the unit exit doors without a safe path out of the structure. You are to IMMEDIATELY secure all doors from the inside that lead to where the porch was removed and post said doors as "NO EXIT". You shall also remove the improperly constructed "shed" at the rear north corner of the property

Section 105.1 of the 2005 Ct. State Building Code: Permits: Any owner who intends to demolish, repair or construct a structure in whole or in part shall first make application to the Building Official. We do not have any record of a Building Permit being obtained or of structural Plans to show how this will be rebuilt. Permits ARE required.

PURSUANT TO STATE BUILDING CODE §113, YOU ARE HEREBY ORDERED TO TAKE THE PROPER CORRECTIVE ACTION TO ABATE ALL LISTED VIOLATION(S) WITHIN 15 Days FROM THE DAY THAT THIS NOTICE IS RECEIVED. Construction documents for work to be done shall be submitted to this office prior to the commencement of any construction in accordance with State Building Code §106. This review of all construction documents would avoid unnecessary expense that could result from non-complying changes. Please note that the correction of certain violations may require proper permits and approval from the Building Official and other local agencies prior to any construction.

You are hereby notified that you have the right to appeal this order pursuant to Connecticut General Statutes §29-266(b) to the municipal board of appeals or Connecticut General Statute §29-266(c) in the absence of a municipal board of appeals. Variations or exemptions from the State Building
