

RESOLUTIONS

Adopted on March 19, 2014 by the legal voters of the Thompsonville Fire District #2

- A. The number of members of the Board of Fire Commissioners of the Thompsonville Fire District No. 2 shall be increased from three to five. At the annual meeting of the District to be held in May 2014 these two additional Fire Commissioners shall be each elected to serve terms one of three years and one of two years. Thereafter the terms shall be three years. In the initial election, the two candidates receiving the highest number of votes shall serve a three year term and the candidate receiving the third highest number of votes shall serve a two year term. In the event of a tie, there shall be a runoff election to be duly warranted. This is done so with the intent to ensure the terms are staggered so that no more than two Fire Commissioners will be elected at one election after the initial election.

- B. Commencing with the annual meeting to be held in May 2014, the election of Fire Commissioners shall take place from 6:00 a.m. to 8:00 p.m. at a polling place within the District. The Board of Commissioners shall designate the location of the polling place at least thirty (30) days prior to the day of the annual meeting.

- C. Commencing with the election of Fire Commissioners to be held in May 2014, any person intending to run for the office of Fire Commissioner shall announce his/her intention to seek the position of Fire Commissioner, either in person or by written proxy, at the first regular meeting held in April of each year. All such persons shall also submit a letter to the District Clerk, if there is no District Clerk then to the Chairman of the Board of Fire Commissioners or his designee, announcing his/her intention to seek office at or before the first regular meeting scheduled for April of each year. The District Clerk, if none then the Chairman or his designee shall thereafter notify the Town Clerk of the Town of Enfield of the names of those individuals announcing their intention to seek office and the District Clerk, if none then the Chairman or his designee shall thereafter publish the names of all such candidates in a newspaper having a general circulation in the Town of Enfield at least fifteen (15) days prior to the date of the election. The failure of the Town Clerk to publish said names shall not preclude the election of any such candidate who has notified the District Clerk, if none then the Chairman or his designee of his/her intention to seek office as provided herein.
