

# HOME FIRE PREPAREDNESS CAMPAIGN

**Reducing fire injury and deaths one home at a time**

At no cost to you, we would like to share some simple steps you can take at home that will help you protect your family against fire. In addition, the Red Cross will **install FREE smoke alarms** within your home. Visits generally last 30 minutes and can be scheduled at your convenience.

## **During your home visit you will receive:**

- Installed smoke alarms if needed
- Guidance in the development of a Family Disaster Plan
- Valuable emergency preparedness tips and information

All demonstration and installation services are performed by Red Cross trained volunteers and/or licensed/insured professionals.
